This exploded view diagram illustrates the assembly of a telescope. The components are labeled with numbered callouts:

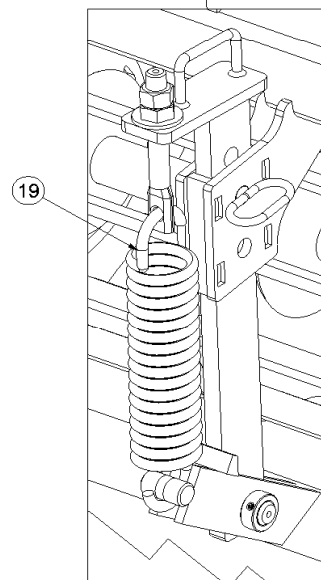

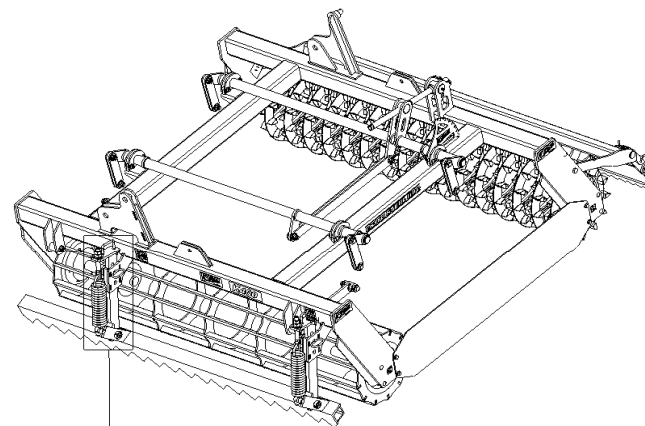

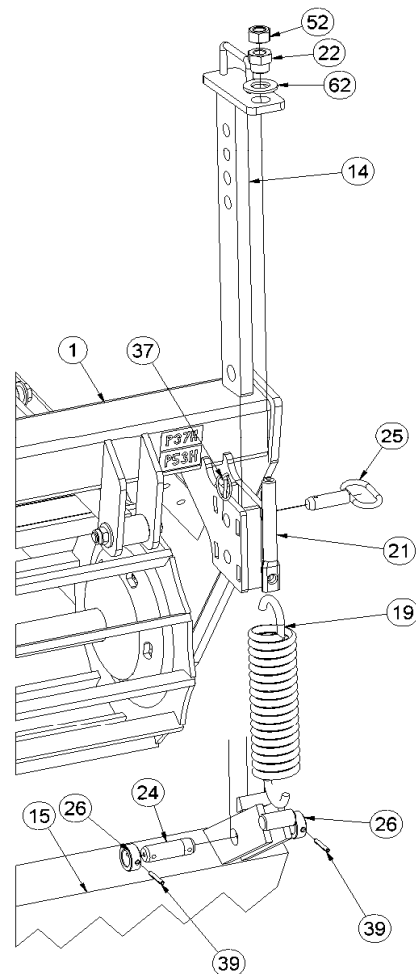

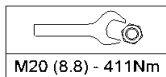

- 1**: A long, thin rectangular component, likely a prism or a structural support, positioned diagonally.
- 2**: A long cylindrical component, likely the main body or barrel of the telescope.
- 3**: A small ring or spacer component.
- 20**: A small circular component, likely a lens or a cap.
- 7**: A small cylindrical component, likely a cap or a protective cover.
- 10**: A small cylindrical component, likely a cap or a protective cover.

The diagram shows the relative positions and alignment of these components for assembly.

This exploded view diagram illustrates the assembly of a chainsaw bar and guide. The main components are labeled with circled numbers: 1 (the main bar), 10 (the guide), 12 (the chain), and 13 (the sprocket). Other numbered parts include 30, 32, 33, 40, 45, 51, 54, 60, 61, and 91, which represent various pins, bolts, and hardware used in the assembly. The diagram shows the bar and guide being joined, with the chain being attached to the sprocket and the guide. A detailed inset shows the connection of the sprocket (13) to the bar (1) using a pin (91) and a bolt (60).
